

Akkreditierungsagentur für Studiengänge
im Bereich Gesundheit und Soziales – AHPGS e.V.

At the request of
King Saud University, Riyadh
and the College of Applied Medical Sciences
from 12 May 2011

the AHPGS confirms the successful completion
of the external assessment
of the study program
„Health Education“
with the degree
„Bachelor of Science“.

**The AHPGS accredits the study program for
the duration of 5 years.**

**The AHPGS considers that the study program complies to the
accreditation requirements for Bachelor study programs and
attests its competence in terms of objectives, structure, staff, material resources,
course of studies and program management.**

Freiburg, 15 December 2011

Prof. Dr. Jürgen v. Troschke
