# Dental Health Department

## Vision, Mission and Objectives

### **Vision:**

Regional Leadership with global reputation in the fields of applied dental sciences.

### **Mission:**

To contribute in the promotion of the dental health services to the Saudi Community through graduating qualified dental health professionals with the ability to compete internationally in dental professions, to provide an environment that encourages learning and creativity, and to produce scientific research that contributes in building the knowledge society.

### **Objectives:**

1. Provide dental health programs according to quality standards and academic accreditation.
2. Prepare dental health care professionals with high conceptual, professional, leadership and research skills.
3. Provide academic and administrative environment that encourages learning, productivity and creativity.
4. Support conducting and publishing dental health research that contribute to technological and dental advances.
5. Establish effective partnerships with distinctive educational organizations and research centres locally and abroad.
6. Effectively contribute in community services and development.

## **E Admission**

Male and female students have been electronically admitted since the academic year 1430/1431 H. 2008/2009 The e-admission starts when students apply on the internet and ends when their files are sent through the e mail. There is no need for students to go to the university except those respective colleges that desire interviews from students. E-admission was adopted to eliminate the traditional procedures of admission and registration, as it saves time and energy.

### **Admission Conditions:**

The Deanship of Admissions and Registration Affairs receives the applications for admission in accordance with the following conditions:

1. The student must hold the general secondary certificate (i.e. High School Diploma) or any equivalent from inside or outside the kingdom of Saudi Arabi.
2. The general secondary certificate or any equivalent must not be more than 5 years old.
3. The student must have good behavior and conduct.
4. The student must successfully pass the examination or the interview held by the senate.
5. The student must be medically fit.
6. The student must obtain the approval from his employer allowing him to study if he works in the public or private sector.
7. The student must meet any conditions assigned by the senate at the time of registration.
8. The student should not have been expelled from any university due to disciplinary or academic reasons.
9. The student who already has a bachelor's degree or any equivalent will not be admitted for another bachelor's degree. However, the senate is entitled to some exceptions

The selection occurs between the applicants who meet the conditions on the basis of their scores (the general secondary certificate examination, the admission tests if they are available, and the special rate. in addition to the general potential tests).

## **Procedures for E-Admission**

1. The students must undergo the necessary tests held by the National Center for Measurement and Assessment.
2. The student must read the admission conditions through the university electronic gate or the deanship of admission and registration website <http://dar.ksu.edu.sa>
3. The students fill in the form with the necessary data and the desired courses of study through the e-admission website within the allotted period of time.
4. When the period of admissions is over, the students will be admitted on the basis of those who have met all the admission requisites and those who have not. Admission depends on the equivalent average and the desired college.
5. Passing the personal interview is a must in some colleges.
6. After the respective evaluation, admitted students are informed through e-mail and mobile messages (SMS). The students receive information about the colleges and fields of study where they were selected. Admitted students must visit their accounts through the university electronic gate to print the form of nomination and the application form.
