

Akkreditierungsagentur für Studiengänge  
im Bereich Gesundheit und Soziales – AHPGS e.V.

At the request of  
**King Saud University, Riyadh**  
and the College of Applied Medical Sciences  
from 12 May 2011

the AHPGS confirms the successful completion  
of the external assessment  
of the study program  
**„Biomedical Technology - Instruments“**  
with the degree  
**„Bachelor of Science“.**

**The AHPGS accredits the study program for  
the duration of 5 years.**

**The AHPGS considers that the study program complies to the  
accreditation requirements for Bachelor study programs and  
attests its competence in terms of objectives, structure, staff, material resources,  
course of studies and program management.**

Freiburg, 15 December 2011

Prof. Dr. Jürgen v. Troschke
